

Eastbourne Arts Circle

Charity Number: 306339

New Memberships and Renewals

We are a Charity that supports the arts in Eastbourne raising much needed funds for the Towner Art Gallery by presenting high quality events including art and music lectures and film showings. These events take place in the Towner Art Gallery's purpose-built auditorium which was partly funded by a large donation from us.

We have an enthusiastic membership, of around 300 who enjoy many extra activities within the Arts Circle such as special interest days and social events.

We are delighted that you are able to support our Charity.
